Please take the time to read the report in its entirety as the quotes above are only a small snapshot. As I mentioned in my most recent newsletter, I would like to say a huge thank you to all of you who supported us through our Ofsted inspection and I am so proud of how the children conducted themselves during the visit. We are also very fortunate to have such a dedicated and committed group of professionals who put the needs of the children at the forefront and are constantly striving to push the school forward.

Kind regards,
John Frankland
