Extra-Curricular Activities Spring Term 2025

The teachers and teaching assistants put in a great amount of time and effort to try and offer the children a wide range of activities. We also have a number of outside providers who also run after-school activities throughout the school year. **In-house clubs and NAR clubs (our PE provider), will be £1 a session.** Sports clubs ran by NAR are subsidised by the School Sports Premium. Bookings for their clubs can be made through their booking system – links are provided in the weekly timetable on the next page.

All clubs will run for ten weeks. They will start on Monday 13th January until the week ending Friday 28th March

Booking System

Extra-curricular activities are either booked through a weblink provided via the timetable or booked via the online Scopay (Tucasi) system. **Parents/Carers will need to upload sufficient funds to their account in order to make a booking on Scopay. For all methods of booking, a place will only be secure once payment has been received.**

The booking system will open on Wednesday 8th January and extra-curricular activities will start week beginning Monday 13th January; all clubs will run for 10 weeks until week ending Friday 28th March.

Please note: children will **not** be able to attend an extra-curricular activity without advanced booking and the online consent completed by a parent/carer.
