

English Day 4
Computing Day 4

E-Safety

- Don't post any personal information online - like your address, email address or mobile phone number.
- Never give out passwords.
- don't meet up with people you've met online.
- remember not every one online is who they say they are.

Follow these steps to stay safe online

if you feel uncomfortable always tell an adult.

~~~~~

✓ @ maths day 1

1.) 5 pers = 12 ✓

2.)  $\times 3$  ✓

3.) every 1 square there are 3 sides / 1-3 ✓

$$\begin{array}{r} 4.) \quad 76, A = 31 \quad \checkmark \\ \quad -45 \\ \hline \quad 31 \end{array}$$

 = Isosceles Triangle ✓

$$\begin{array}{l} x = 180^\circ \\ y = 180^\circ \end{array}$$

angle  
word y  
will of

decreased and angles x and  
z have in-cresed

I predict:

$$\begin{array}{l} w = 150^\circ \\ x = 30^\circ \\ z = 30^\circ \\ y = 150^\circ \end{array}$$

What they  
are:

$$\begin{array}{l} w = 130^\circ \\ x = 50^\circ \\ z = 50^\circ \\ y = 130^\circ \end{array}$$

it was the other way round

there will still be two of the ✓  
same angles they will stay the same

Maths day 1

2 of the angles will be the same but the other two will be different  $\times$  no pairs were the same

$$\begin{array}{r} 140 \\ + 70 \\ \hline 210 \\ + 40 \\ \hline 250 \end{array}$$

it would be  $110^\circ \checkmark$

~~11~~ pairs  
~~10~~ pairs  $\checkmark$

angle  ~~$x=80$~~   
 $x=40$

## PE Day 4

My ~~favouret~~ favourite favourite sport is ~~study~~ actually multiple sports water sports, such as canoeing, body boarding, surfing and karving. I may not be good at them but after this virus I want to practice as much as I can to get better. I also enjoy trampelining and dancing which are also hobbies I quite enjoy ~~but~~ but the main reason I chose chose water sports is that although im not that good at it, it's fun and thats what matters because life shoudnt be a competition about who's the best at that or who's better at this, it should be about having fun.
